

ALBANY 3 DAY TOUR

Variety they say is the spice of life and this is particularly pertinent to this Off The Grid 3 day tour of the Great Southern Coast. There's a vast mix of turquoise waters, white sandy beaches, eucalypt bush, ancient forests and short steep mountains to be explored. The wildflowers add extra colour with bursts of red, yellow, white and pink along the tracks when in bloom. Albany boasts some of the finest foods and premium wines in the area and you enjoy multi course dinners with wines at two of Albany's best rated restaurants. If you enjoy WA wines then you will love the inclusion of a wine tasting and lunch at Ironwood Estate Winery located in the ancient Porongurup Range. Each night return to the charming Elliot House.

DETAILED ITINERARY

ALBANY 3 DAY TOUR

DAY 1 - MT MARTIN

The Mt Martin trail provides a **mix of both bush and coastal** walking with beautiful high vista points of **Breaksea** and **Michaelmas Islands**, Albany's harbours, **Torndirrup Peninsula** and the **Stirling Ranges**. Along the trail at **Voyager Park**, swim in the crystal clear turquoise water before returning to **Elliot House** to get ready for a two course sunset dinner at **Hybla** overlooking **Middleton Beach**.

DAY 2- MT TRIO, STIRLING RANGES

Today we climb **Mt Trio** in the **Stirling Ranges**, comprising of three peaks followed by a fabulous wine tasting and lunch in the heart of the ancient **Porongurup Range**. We have an early evening walk at **Mt Adelaide** and **Mt Clarence** which overlook the Atatürk Channel and offers a breathtaking view of **King George Sound**. The walk is followed by a delicious meal and wine at **Garrisons Restaurant**.

DAY 3- BALD HEAD

The **Bald Head** trail, located in the spectacular **Torndirrup National Park**, is a challenging traverse of the **Flinders Peninsula**, a narrow long peninsula stretching out over 6 kilometers from the mainland. One of the exceptional attractions of this walk is the sheer magic of discovering the coastal scenery with **King George Sound** on one side and the **Southern Ocean** on the other.
